Volunteer Agreement

We are pleased that you have agreed to volunteer in the Department of Biological Sciences. This agreement only applies to your listed time period and a new agreement will have to be mutually signed for any volunteer activity outside of this period. Please carefully read this entire letter, fill in all information, and acknowledge the statement at the end with your signature and date, if correct.

If you are a minor, your parent/guardian must also sign the form.

You will receive instruction and training for the tasks and duties you will perform, as needed, based upon an assessment of your background and your request(s). Duties should only be performed during the scheduled time and with the knowledge of the Supervisor. You should discuss any questions or concerns regarding your schedule or duties with the Supervisor.

As a volunteer, there is no compensation given for your services. In the event that you incur **pre-approved** expenses as a consequence of carrying out requested services, you will be reimbursed.

You will be expected to provide contact information so that you may be reached about your duties or changes in scheduling. In addition, you will need to put information on file for an emergency contact and any preferences regarding medical care. If you have any medical conditions that may affect or be affected by duties you agree to perform, necessary accommodations are to be discussed with the Supervisor in advance of undertaking those tasks.

Again, welcome to the Department, thank you for your contribution, and hope you have satisfactory experience during your time with us.

I have read and understand the above information. Further, I agree to the terms and duties given for my service as a volunteer at Virginia Tech.
